Dear Alistair:

Alberta Environment and Parks have been working hard at developing and refining the draft Livingstone-Porcupine Hills Land Footprint and Recreation Management Plans since the last SARAG meeting in August 2017. We are now at the point where the draft plans are ready to be presented to the public for consultation. This consultation will be through an online survey. Please visit <https://talkaep.alberta.ca> and register to provide your feedback on the draft plans. The online survey will be available until Thursday April 26, 2018 at 4:00 pm.

As part of our consultation process, and in alignment with the Government of Alberta's Policy on Consultation with First Nations on Land and Natural Resource Management, 2013, we have initiated consultation with First Nations to start their official review of the draft plans.

On behalf of the department, thank you once again for your participation on the Southern Alberta Recreation Advisory Group and we look forward to your feedback on the draft plans. If you have any questions, please contact Jessica Yuszko at (403) 388 7737 or via email at Jessica.Yuszko@gov.ab.ca.

Sincerely,

Rob Simieritsch
Regional Resource Manager, South Saskatchewan Region
